# Academi Gymraeg: User Guide

1) Homepage

In order to access the site's homepage, you will need to supply a valid username or password. This page functions as a hub which provides links to all the sites features.

2) Taking a Test

Academi Gymraeg allows students to take a randomly generated welsh language quiz. The test will ask a student to translate a selection of 20 nouns from English to Welsh, or vice versa.

This page is accessible from both the **icon** on the home page, and the **link** in the navigation bar, as shown by the blue arrows below:

This will load up the following page:

The student will then be required to complete as many of the 20 questions as they can. Once they are happy to submit the test, they can use the Save and Submit button at the bottom of the page.

The student will then be directed to the test answers page where they will be shown their score, and which answers were answered correctly.
